We should talk about putting you on state email or releasing your email address to the department so you are not going to spam. It's not the phone message system, it's the device delay.

I emailed back yes but ops told me they didn't hear from you so didn't make call which I just ordered them to do. Also Jake said he'd been trying to reach me and ops said they had called you about that too. This is not a good system.
